

Abbesse

Designed by Florent Coirier

Abbesse draws inspiration from the lively atmosphere of the Abbesses district in Montmartre, translating the character of Parisian cafés and bistros into a chair defined by familiarity, comfort, and enduring appeal.

A painted metal base and polypropylene shell create a light yet durable structure, while an optional fixed upholstered seat pad in eco leather introduces a softer, more refined expression. Clean lines and balanced proportions give the collection a quiet presence, finding its place in both public settings and everyday living spaces.

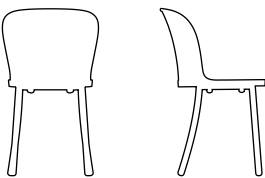

Designed to accompany everyday rituals, Abbesse combines practicality with a sense of warmth and character, recalling the relaxed elegance and sociable spirit that define the Parisian art de vivre.

Abbesse

Chair
TO-2611-2601

Indoor use only
Not stackable

Dimensions (cm)
D53 W47 H82
SH47

Weight (kgs)
5.8

Material
Seat in polypropylene. Base in metal.

Upholstery
TO-2622

Indoor use only

Dimensions (cm)
D38 W38 H1.5

Weight (kgs)
